

7th/8th Grade Classes:

Yearbook Announcement:

Calling for photos

The theme of this year's yearbook is Overcoming Challenges and one of the biggest challenges was starting the year with Distance Learning.

If you have photos of students learning anything - school or not - at home during August, September, and October please send them in with a blurb or caption about what was being learned or what challenge to learning was being overcome.

If you took a picture of your son or daughter's first day of school (way back in August), we would love to include those in the yearbook also.

Please send photos to dcyearbook@tracylc.net

More information to come about 8th grade dedications, cap and gown photos, ordering a yearbook and all to come.
