

7th/8th Grade Classes:

Yearbook Announcement:

Calling for photos

The theme of this year's yearbook is Overcoming Challenges and one of the biggest challenges was starting the year with Distance Learning.

If you have photos of students learning anything - school or not - at home during August, September, and October please send them in with a blurb or caption about what was being learned or what challenge to learning was being overcome.

If you took a picture of your son or daughter's first day of school (way back in August), we would love to include those in the yearbook also.

Please send photos to dcyearbook@tracylc.net

More information to come about 8th grade dedications, cap and gown photos, ordering a yearbook and all to come.

Highlight of the Week

This week we ventured away from westward expansion and learned about key figures in America before and during the Civil War. Students were introduced to Frederick Douglass, a former slave whose autobiography opened the world's eyes to the injustice African-Americans faced during the 1800s. Next week we will finish off

the unit with lessons on Robert E Lee and Sojourner Truth and end the week with our unit 6 test

Language Arts with Mrs. Cerezo- Week 36!

We are getting very close to the end of the school year and so we are spending much of our time continuing on our Personal Narrative/Memoir and preparing for our speeches during the first week of June.

State testing for 7th/8th grade will take place the week of May 24th. This is an important time for our students and can often be very exhausting and time consuming- we are looking forward to state testing and the end of the year!

This week students did peer reviews with their personal narratives. The final drafts are due 5/17. We are reading Wolf Hollow and trying to finish it before state testing begins in 2
