

FANTASY FOOTBALL: FALCON EDITION

This Friday we were supposed to have our annual Football Friday event, but due to Covid, it cannot happen...at least the traditional way! For the month of September, to celebrate the return of football and football Friday, we will have our first ever Fantasy Football: Falcon Edition!!

Here's how this will work.

Starting this week until October 2nd, I will send out a link to a google form every Monday (or tomorrow) where **students and teachers can submit their team for that week for ONE of the three provided options.** Each option has their own points you may receive if you chose correctly.

- Option 1: pick a team to win: Worth 1 victory point
- Option 2: guess correctly the number of interceptions in a specific game: Worth 2 victory points
- Option 3: correctly guess the winning score to a specific game: worth 5 points
 - The score must be exact!!

Every week is a new week, so you may choose a new team and new option each time! We also encourage you to wear Football shirts, beanies, jackets, anything football related every Friday until October 2nd, for 5 nest points!

Students will need to turn in their response by 4pm on Friday every week.

The student with the most points at the end of the four weeks will win the big prize: \$25 Visa gift card. Teachers points will be turned into nest points and be given to their nests as a whole.

With google forms, I will be able to keep track of who submitted what in each week and keep a running total of everyone's total points. This will allow me to create a top 5 scoreboard that I will post on our website and in our videos.

I am so excited!!!!
